

“My favorite part of the Y.E.S. program was seeing that our hard work had paid off.”

-Carmen

“My favorite part of the Y.E.S. experience was actually selling the product!”

-Courtney

“Personally my favorite part of the Y.E.S. experience was decorating our booth. This was my favorite part because I enjoyed being “krafty” and creative.”

-Montanna

“My favorite part about participating in Y.E.S. was being able to spend time with my friends as well as being able to see all the hard work come together.”

-Seth

“The most valuable lesson that I learned throughout the experience was that it wasn’t as easy as I thought it would be.”

-Casey

“I would have to say that my favorite part of the competition was creating the business plan. I learned about what makes a business plan!”

-Jasmin

“My favorite part about participating in the competition was explaining our invention to the customers.”

-Garrett Reed

“My favorite part was creating the business plan, developing the product/service, and setting up the booth!”

-Sam

“My favorite part of the whole experience was the marketing aspect of the competition.”

-Jackie

“The most valuable lesson that I learned from participating in the competition was working as a team.”

-Sacha
